## ABOUT ME

My highest motivation is the opportunity to work alongside community members, faculty, staff and the Foundation board, to build and implement strategies from the ground up that are student inspired and future focused.

I first landed in Whitehorse in 2012 as Sponsorship, Marketing and Communications Manager with the 2012 Arctic Winter Games. Since then, I have become rooted in the territory. I am thrilled to join the Yukon College team – helping students achieve their education and life goals.
